📍 Egypt, Cairo (Mokattam)

📅 03/10/1979

Summary

I am a results-driven professional with a passion for reshaping engineering knowledge and integrated skills in a fast-track organization. With a focus on technical excellence and innovative solutions, my mission is to meet employer needs effectively. I have a proven track record overseeing all aspects of complex construction projects, including excavation, concrete structures, carpentry, and finishing work. Skilled in supervising teams, ensuring adherence to plans and specifications, and maintaining high-quality standards, I am dedicated to driving success and contributing to the growth of challenging endeavors.
